IMPORTANT INFORMATION

Payments are required to be made through direct deposit to your bank account. Under certain circumstances, the unit administration may waive the requirement for direct deposit.

Direct deposit provides the fastest, easiest, safest and most reliable way to receive your benefit payments. When you use direct deposit, benefits go directly to your bank account. This ensures you receive your benefit on time, and helps prevent cheque loss, theft or misplacement.

To set up direct deposit, you require a bank account. If you do not have a bank account, set one up as soon as possible. If you receive benefits from other Income Assistance programs not listed on page 1 of this form, such as the Saskatchewan Rental Housing Supplement or the Saskatchewan Employment Supplement, please contact that program area to set up, update or cancel direct deposit for that program.
