

# Recognized Family Mediators

## Overview

This is a list showing all family mediators who have been recognized under Section 7-4 of The King's Bench Act, 2023.

This list is organized by location. The location listed is each mediator's home base, however, some may provide services in additional areas upon request.

Recognized family mediators set their own processes and fees. You may inquire with a mediator of your choice to discuss their rates and services. Please note that the Dispute Resolution Office with the Ministry of Justice has low-cost options available.

Mediators marked with "\*" have indicated they provide virtual services
