

8610.1 DESCRIPTION

- 8610.1.1 This specification describes the terms and conditions applicable to the ordering, handling and storing of anti-stripping agents supplied by the Department.
- 8610.1.2 The following definitions shall apply for this specification:
- | | |
|---|---|
| 8610.1.2.1 Delivery Code | the number assigned to each delivery point as shown on the Government of Saskatchewan purchasing agency standing offer or purchase order. |
| 8610.1.2.2 Purchase Order Number | the number on the Government of Saskatchewan purchasing agency standing offer or purchase order form. |
| 8610.1.2.3 Supplier | the party awarded a contract for the supply of anti-stripping agent to the project. |
| 8610.1.2.4 Travel Time | the distance in kilometres along the most direct highway route from the point of supply to the point of delivery, divided by 80 km/h. |

8610.2 ORDERING OF ANTI-STRIPPING AGENTS

- 8610.2.1 The Department will select and pay for the anti-stripping agents.
- 8610.2.2 **Lime anti-stripping agent**
- | | |
|--------------|---|
| 8610.2.2.1 | The Department will advise of the name of the Supplier and provide one or more telephone numbers, one of which may be for facsimile transmission, at which the Supplier may be contacted 24 hr per day, 7 days per week to place orders and to cancel orders. |
| 8610.2.2.2 | The Contractor shall order the lime anti-stripping agent directly from the Supplier. Orders may be placed by telephone, in writing or by facsimile. |
| 8610.2.2.3 | Orders shall indicate the Purchase Order Number where applicable. |
| 8610.2.2.4 | The Contractor shall arrange with the Supplier the quantity of lime anti-stripping agent to be delivered, and the time and points of delivery. |
| 8610.2.2.5 | Orders for delivery shall be placed with the Supplier not later than 3:00 p.m. five days preceding the delivery date. |
| 8610.2.2.6 | Orders may be cancelled by telephone, in writing or by facsimile. This cancellation notice shall be given at least 8 hours plus Travel Time before the time specified for delivery. If a time for delivery is not specified, notice shall be given by 1:00 p.m. on the day prior to the delivery. |
| 8610.2.2.7 | Orders which do not comply with the above requirements will be handled by the Supplier as expeditiously as possible, subject to previous commitments being satisfied. |
| 8610.2.2.8 | If the Contractor requests a shipment of lime anti-stripping agent less than 30 tonnes the shipment will be considered as a partial load. |
| 8610.2.2.8.1 | The Contractor shall reimburse the Department for the additional charges for partial loads which the Department is obliged to pay to the Supplier except when the partial load is the final shipment of lime anti-stripping agent at the completion of a project, plant set or a construction season. |

8610.2.3 Liquid anti-stripping agent

- 8610.2.3.1 The Department will advise of the name of the Supplier and provide one or more telephone numbers, one of which may be for facsimile transmission, at which the Supplier may be contacted 24 hr per day, 7 days per week to place orders and to cancel orders.
- 8610.2.3.2 The Contractor shall order liquid anti-stripping agents by telephone, in writing or by facsimile directly from the Supplier.
- 8610.2.3.3 Orders shall indicate the Purchase Order Number and Delivery Code where applicable.
- 8610.2.3.4 The Contractor shall arrange with the Supplier the quantity of liquid anti-stripping to be delivered, and the time and points of delivery.
- 8610.2.3.5 Orders requiring next day delivery shall be placed with the Supplier not later than 3:00 p.m., the preceding day, Monday through Friday.
- 8610.2.3.6 Orders requiring delivery on Monday shall be placed with the Supplier not later than 5:00 p.m. on the preceding Friday.
- 8610.2.3.7 Orders requiring delivery on a Monday that is a statutory holiday shall be placed with the Supplier not later than 3:00 p.m. on the preceding Friday.
- 8610.2.3.8 Orders may be cancelled by telephone, in writing or by facsimile. This cancellation notice shall be given at least 4 hours plus Travel Time before the time specified for delivery. If a time for delivery is not specified, notice shall be given by 8:00 p.m. on the day prior to the delivery.
- 8610.2.3.9 Orders which do not comply with the above requirements will be handled by the Supplier as expeditiously as possible, subject to previous commitments being satisfied.

8610.3 HANDLING OF ANTI-STRIPPING AGENTS

- 8610.3.1 The Contractor shall assist in the unloading of the anti-stripping agent from the delivery vehicle.
- 8610.3.2 The temperature of the bulk liquid anti-stripping agent at the time of unloading will be between 25 - 40 °C.
 - 8610.3.2.1 If the bulk liquid anti-stripping agent is delivered at a temperature less than the minimum temperature or greater than the maximum temperature specified, the Contractor may reject the liquid anti-stripping agent.
- 8610.3.3 The Contractor shall ensure that the liquid anti-stripping agent is maintained within the temperature range of 5 °C and 65 °C.
- 8610.3.4 The Contractor shall ensure that anti-stripping agent is not contaminated by faulty handling or storage.
- 8610.3.5 If the Contractor is unable to accept the anti-stripping agents due to inclement weather, poor work scheduling, or breakdown of the Contractor's equipment, the Contractor shall reimburse the Department for the transportation charges which the Department is obliged to pay to the Supplier.
- 8610.3.6 If surplus anti-stripping agent exists at the completion of the Project, the Contractor will be charged for the surplus quantity if it is not used on another Department project.

8610.4 DEMURRAGE

8610.4.1 The Contractor shall reimburse the Department for demurrage charges which the Department is obliged to pay to the Supplier. Charges will be made for demurrage which exceeds 1.5 hours from the latter of the time the load arrives and is ready for unloading or from the requested delivery time specified by the Contractor.

8610.4.2 Demurrage time will be measured to the nearest 0.25 hours.

8610.5 PAYMENT

8610.5.1 All the work involved with the ordering and handling of anti-stripping agents will not be paid for directly but will be considered as a subsidiary obligation of the Contractor under this Contract.
