Construction	\$ 200,000	\$ 347,400			\$ 9,200,000

† The procurement thresholds for the Canadian Free Trade Agreement are adjusted with inflation by the Internal Trade Secretariat in accordance with Annex 504.4 of that Agreement. The values above are for calendar years 2026-2027.

‡ The procurement thresholds for the World Trade Organization (WTO) Agreement on Government Procurement, the Canada-European Union (EU) Comprehensive Economic and Trade Agreement (CETA), and Comprehensive and Progressive Agreement for Trans-Pacific Partnership are periodically adjusted to account for changes in currency strength. The values above are for calendar years 2026-2027. The Canada-U.K. Trade Continuity Agreement applies CETA procurement obligations and thresholds to the United Kingdom.

* Section B entities are those involved in energy transmission, transit networks, distribution and treatment of water, or the distribution of electricity or gas (see Canada-EU CETA, Annex 19-3, Section B).

Valid until: December 31, 2027

This document has no legal force and is intended for information only. The text of each of these five trade agreements is public and available online.
