between

The Government of Saskatchewan
(hereinafter, Saskatchewan)
as represented by the Minister of Finance

and

Legal Name of Business
(hereinafter, the First Nation Retailer)

Preamble:

- a) Whereas Saskatchewan desires to enter into an agreement with the First Nation Retailer on the _____ Indian Reserve (“the Reserve”) respecting Fuel Tax on purchases of fuel products on this Reserve by Indians and Indian Bands purchasing these commodities for their own consumption and use;
- b) Whereas Saskatchewan must recognize the *Indian Act* exemption in relation to Fuel Taxes when those products are purchased on the Reserve by an Indian or Band for their own consumption and use;
- c) Whereas Saskatchewan wishes to maintain its current taxation practices with respect to non-Indian purchasers on and off Reserve;
- d) Whereas both Saskatchewan and the First Nation Retailer recognize that sales made by a retailer located on the Reserve may not be limited to Indians or Indian Bands; and,
- e) Whereas the First Nation Retailer has represented to Saskatchewan that the First Nation Retailer has received all necessary approvals to operate a retail operation selling fuel products on the aforementioned Reserve;

Now, therefore, in consideration of the covenants mutually taken herein, the Government of Saskatchewan and the First Nation Retailer agree to the following:

1. In this agreement, the following definitions apply:

 - (d) *Fuel Tax* means the tax imposed by *The Fuel Tax Act, 2000*, as amended or replaced from time to time;
2. Subject to paragraph 9, and on being satisfied that the rebate claim is consistent with the criteria established in this agreement, Saskatchewan will pay in a timely fashion to the First Nation Retailer the Fuel Tax collected on fuel products purchased by Indians or Bands on the Reserve.
3. The First Nation Retailer will ensure that all prices displayed, posted and otherwise advertised for the sale of fuel products on the Reserve are the same for all customers of the First Nation Retailer.

7. Saskatchewan shall evaluate and process each rebate claim in a timely manner. Saskatchewan, subject to a reasonable time for verification of the rebate claim, shall pay the rebate claimed within twenty-one (21) days following verification of the claim. Failing the rebate being paid within twenty-one (21) days, Saskatchewan shall pay interest at the rate stipulated in *The Revenue and Financial Services Act* and its regulations. Notwithstanding the foregoing, if Saskatchewan disputes a portion of the rebate claim, the undisputed portion shall be paid and the disputed portion withheld until agreement is reached as to the amount or nature of the rebate. The basis of the rebate and the withholding of the rebate shall be limited to those reasons set out in paragraph 9 below.
8. Saskatchewan will not be required to process more than one rebate claim from the First Nation Retailer in any calendar month.
9. Saskatchewan will issue a rebate where:

11. The First Nation Retailer, in consideration of Saskatchewan not unreasonably withholding or interfering in the application of the tax exemption to fuel, agrees to indemnify and save harmless Saskatchewan from all claims, liabilities, actions, losses and expenses that Saskatchewan may incur in consequence of a claim by an Indian purchaser for the recovery of Fuel Tax paid on on-reserve purchases of fuel during the term of this agreement.
12. The indemnity provision contained in paragraph 11 of this agreement survives the termination of the agreement.
13.
 - (a) This agreement will come into effect upon the date it is signed by both parties hereto and, subject to clause 13(b), shall continue in effect until terminated by mutual agreement of the parties or unilaterally by either party giving written notice of termination to the other party at least thirty (30) days in advance of the effective termination date.
