

Chronic Wasting Disease Prevalence

Mule Deer (2023-25)

CWD 3-Year Pooled Prevalence by Wildlife Management Zone (Mule Deer)

Please note: Prevalence estimates are based on the last three years' (2023-2025) pooled surveillance data for Mule Deer. Prevalence estimates are estimates only. Confidence intervals vary based on sample size collected.

Data Deficient: sample size <20 over 3-year time period.
