Overview of Travel and Objectives

This conference brought Ministers and Deputy Ministers responsible for digital trust and cybersecurity together to develop terms of reference for the Ministerial Table. The meeting included jurisdictional showcases and panel discussions from the field's top experts.

Travel Activity

While in Vancouver, Saskatchewan delegates participated in several discussions around digital trust and cybersecurity. These included:

- Jurisdictional showcases (Quebec, British Columbia, Alberta, Nova Scotia, Ontario);
Panel on Strength in Numbers: Pan-Canadian Collaboration on Cybersecurity;
- In-camera Minister's Roundtable;
- In-person Deputy Minister's Roundtable;
- Panel on Enabling Indigenous languages in identity records/systems; and
- Symposium Report Out.

At these meetings, Minister Carr reiterated to the group that the Government of Saskatchewan would not be pursuing digital ID.
