Part 6 - ARTIFICIAL INTELLIGENCE DISCLOSURE SECTION (if not applicable, leave blank and proceed directly to Oath Section):

Acceptable Artificial Intelligence Use Policy

The use of Artificial Intelligence (AI) tools (for example, ChatGPT, Copilot, and any other form of AI) is permitted but is not required. If used, you must explicitly disclose your use of these tools in your responses by identifying the AI-generated content and its source. Failure to disclose AI use will result in the rejection of your application.

AGRICULTURE STUDENT SCHOLARSHIP PROGRAM

APPLICATION FORM

Note: Before you enter information it is recommended this application be saved to your computer.

Part 6 - ARTIFICIAL INTELLIGENCE DISCLOSURE SECTION continued

(if not applicable, leave blank and proceed directly to the Part 7)

If AI tool(s) have been used:

What tool(s) or programs did you use? (e.g., ChatGPT, Copilot, etc.)

List the prompts used to generate AI responses. Please include the exact wording of each prompt.*

How did you verify the accuracy of AI generated information? Be specific in your explanation (e.g., which trustworthy sources did you consult to confirm the accuracy of the information).*

* If you require more space, you may submit an accompanying page with this application form.

Part 7 - ARTIFICIAL INTELLIGENCE OATH SECTION

By checking this box, I, _____, acknowledge that I have read, understood, and accepted the Acceptable Artificial Intelligence Use Policy outlined above. I certify that I have clearly disclosed any use of AI and identified the AI-generated content and its source. If I have not used AI, I certify that as truth. I understand that failing to meet these requirements will result in the rejection of my application.

Part 8 - APPLICANT CONFIRMATION

By checking this box you certify that you are not employed by the Saskatchewan Ministry of Agriculture or Saskatchewan Crop Insurance Corporation, and that you are not an immediate family member of anyone employed by these organizations.

By submitting this application, you certify that your work is original and adheres to the guidelines set out in the application criteria. If selected, you agree to allow the Ministry of Agriculture to publish or promote your story/video, which would include your name, hometown, school information and post-secondary information, as required. The personal information in this application is collected by the Ministry of Agriculture in order to administer the Agriculture Student Scholarship Program. All personal information collected is protected by *The Freedom of Information and Protection of Privacy Act*.

Please submit completed application by email to agriculture.scholarship@gov.sk.ca by March 1, 2026. For more information, please call 306-787-5160.
