

Recruiter/Consultant Application and Renewal Fees

License application fees (\$300) and license renewal fees (\$50) for Recruiters and Immigration Consultants are effective July 1, 2024. These fees are also applicable to Lawyers applying or renewing a license as a Recruiter. Lawyers who only provide immigration consulting services are exempt from the fee.

License Application

The applicant needs to fill out all the required information in each record including whether they are applying as a consultant, recruiter, or lawyer who is providing consulting services, or lawyer who is recruiting.

The image displays two screenshots of the Saskatchewan SINP application portal. The top screenshot shows the 'Licence Application - Rep Test' page with a 'Submit Application' button highlighted in red. The bottom screenshot shows the same page with a 'Warning' dialog box overlaid, asking the applicant to confirm submission. The dialog box has 'Yes, Continue' and 'No, Go Back' buttons.

If the applicant is required to pay the license fee, the applicant is notified: “You will now be redirected to pay the non-refundable fee of \$300 and your application will be automatically submitted after payment. Do you want to continue?”

The applicant has two options:

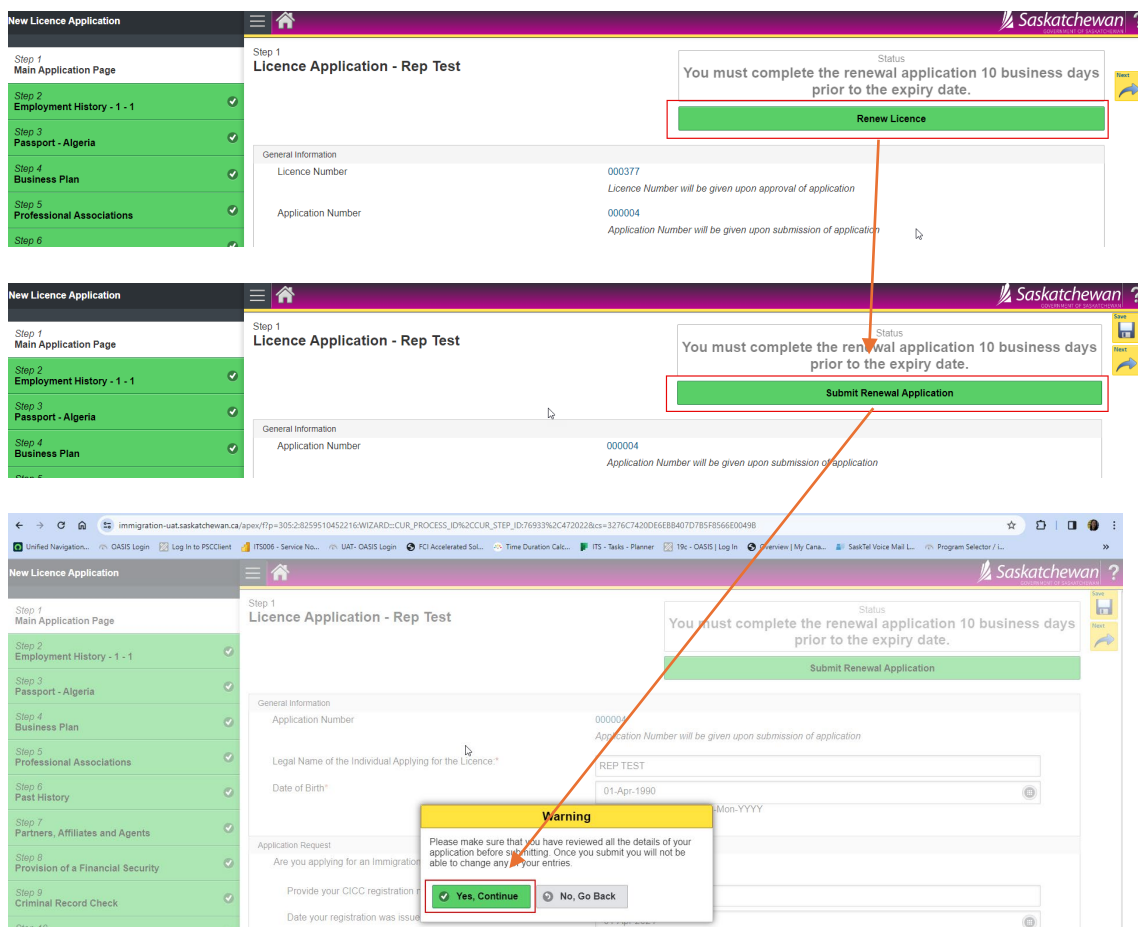

“Yes, Continue” will direct the applicant to pay the fee through Moneris.

“No, Go Back” will go back to the application. The application will not be submitted.

If the applicant chooses “Yes, Continue”, they are redirected to the Moneris Solutions page for the Government of Saskatchewan where credit card information is inputted. After submitting payment, the license application is automatically submitted for review by the ministry.

License Renewal

To start the licence renewal, the applicant will select “Renew Licence”. Then the applicant needs to fill out all the required information in each record including whether they are applying as a consultant, recruiter, or lawyer who is providing consulting services, or lawyer who is recruiting.
