THE MILK MARKETING PLAN REGULATIONS – PRODUCTION LICENSES

Order No. 48/24. The SASKATCHEWAN MILK MARKETING BOARD, pursuant to the provisions of *The Milk Marketing Plan Regulations* and *The Agri-Food Act, 2004*, hereby determines and orders as follows:

1 Pursuant to section 20.1(1) of *The Milk Marketing Plan Regulations*, no person shall produce milk unless that person is licensed pursuant to section 20.3 of *The Milk Marketing Plan Regulations*. This Order sets out certain conditions that must be satisfied for the Board to issue a production license to produce milk in Saskatchewan (a “**production license**”), provided that nothing in this Order limits the discretion granted to the Board pursuant to section 20.5 of *The Milk Marketing Plan Regulations*.

- 2 Every applicant for a production license (an “**applicant**”) shall:
- (a) apply to the Board in the form and manner required by the Board;
 - (b) meet the Personal Engagement Requirement as set out and defined in section 3;
 - (c) satisfy the Board that the applicant has the necessary experience, equipment, and financial responsibility to engage in the production of milk at the production unit to which the production license application relates; and
 - (d) provide the Board with any information, records, or additional material that the Board may require in order to determine whether or not the applicant complies with all of the foregoing requirements, as well as the policies of the Board and:
 - (i) *The Agri-Food Act, 2004*;
 - (ii) the Saskatchewan Milk Marketing Plan;
 - (iii) *The Milk Marketing Plan Regulations*; and
 - (iv) the Orders and directions of the Board and the Agri-Food Council, (collectively, the “**Legislative Requirements**”);

and to otherwise satisfy the Board that it is appropriate for the production license to be issued.

- 3 Every applicant and every holder of a production license (a “**licensed producer**”) must demonstrate that:
- (a) where the applicant or licensed producer is an individual, that the applicant or licensed producer is personally and actively engaged on a regular and continuous basis in the day-to-day operations of the production unit to which the particular production license relates; and
 - (b) where the applicant or licensed producer is a corporation, partnership, joint venture or other entity or organization (an “**entity**”), that all individuals who legally or beneficially own or hold an interest in such entity, directly or indirectly (including by means of a trust), and all individuals who exercise control over such entity are personally and actively engaged in the day-to-day operations of the production unit to which the particular production license relates on a regular and continuous basis, (the “**Personal Engagement Requirement**”).

Determination of what constitutes owning or holding an interest in an entity or what constitutes control of an entity will be determined in the sole discretion of the Board.

4 For the purposes of this Order, whether an individual is “personally and actively engaged” will be assessed by the Board in its sole discretion, and includes, but is not limited to, the following requirements: regular involvement with the production unit; personal involvement in decision making for the business; oversight of the animals at the production unit; and/or management, oversight, and control of any employees of the production unit.

5 The Board may, in its sole discretion, grant an exemption from the Personal Engagement Requirement to an applicant for the purpose of succession planning, estate planning or to facilitate a farm start-up. The Board may impose any terms and conditions with respect to the exemption and may vary, alter, amend, change, cancel or substitute those terms or conditions at any time. An applicant who desires to apply for an exemption shall:

- (a) apply to the Board on a form and in a manner determined by the Board;
- (b) supply the Board with any information, records and additional material that the Board may require respecting the exemption application;
- (c) satisfy the Board that the applicant has otherwise complied with the Legislative Requirements and all other policies or directions of the Board;

- (d) satisfy the Board that granting the exemption is for the purposes of succession planning, estate planning or to facilitate a farm start-up;
- (e) satisfy the Board that granting the exemption is not inconsistent with the Saskatchewan Milk Marketing Plan and is not contrary to the public interest; and
- (f) satisfy the Board that granting the exemption is not inconsistent with the spirit and intent of the restrictions set forth in sections 2, 3, and 4.

6 In the event a licensed producer ceases to comply with the Personal Engagement Requirement on account of an individual's death or disability, the licensed producer shall have a period of one year from the date of such death or disability to come into compliance with the Personal Engagement Requirement or to obtain an exemption from the same pursuant to the process set forth in section 5.

7 Within 90 days after the date of receipt of receiving an application for a production license, the Board may, at its discretion:

- (a) issue a production license to the applicant; or
- (b) refuse to issue a production license to the applicant:
 - (i) if it is not satisfied that the applicant has complied with the Personal Engagement Requirement;
 - (ii) if the applicant, in the Board's opinion, lacks the experience, equipment, or financial responsibility to engage in production;
 - (iii) if the applicant fails to provide information required by the Board;
 - (iv) if the applicant has contravened any of the Legislative Requirements; or
 - (v) for any other reason that the Board considers appropriate.

8 Every production license, unless previously cancelled, expires one year from the date of issue or on an alternate date determined by the Board.

9 If the Board intends to refuse to issue a production license as per subsection 7(b) of this Order, the Board will first give the applicant an opportunity to be heard in a manner and forum and upon a timeframe determined by the Board.

10 To renew their production license, every licensed producer shall, on an annual basis, or at the Board's request, provide evidence to the Board's satisfaction that it continues to:

- (a) satisfy the Personal Engagement Requirement;
- (b) comply with the Legislative Requirements; and
- (c) comply with any other terms, conditions, or requirements of the production license.

Then on the fifth year of renewal sign an affidavit providing evidence to the Board's satisfaction that it continue to satisfy subsections 10 (a), (b) and (c).

11 If a licensed producer cannot produce satisfactory evidence of its compliance pursuant to section 10 of this Order within 30 days of a request by the Board, the Board may refuse to renew or may suspend or cancel the production license of a licensed producer.

12 The Board may cancel or suspend a production license for any reason set forth in section 20.5 of *The Milk Marketing Plan Regulations* which shall include, for greater certainty, a failure to comply with the Personal Engagement Requirement, any policy or direction of the Board, or any other provision of this Order.

13 Where a determination has been made to suspend a production license in accordance with *The Milk Marketing Plan Regulations* or any Order of the Board:

(a) Notice of the suspension will be given to the holder of a production license in writing by prepaid registered mail to the licensed producer.

(b) The licensed producer shall be deemed to have received the notice given on the fifth day after the day of mailing.

(c) The licensed producer will be given an opportunity to be heard, in a manner and forum determined by the Board, within 15 days of deemed receipt of the notice of suspension.

(d) After hearing from the licensed producer or upon the expiration of 15 days from the date of deemed receipt of the notice of suspension, the Board will determine whether to suspend the production license, and such decision shall be effective immediately upon being rendered.

14 Notwithstanding section 13 of this Order, where the Board has determined that it is necessary in the public interest or for reasons of public health, the Board may suspend a production license immediately without written notice or giving the licensed producer a prior opportunity to be heard.

15 If the Board has suspended a production license pursuant to section 14 of this Order, the licensed producer shall be given notice of such suspension forthwith, and the licensed producer will be given an opportunity to be heard, in a manner and forum determined by the Board, within 15 days of the effective date of the suspension.

16 The Board may reinstate a suspended production license if the subject of the suspended production license, within 30 days of the suspension, addresses to the Board's satisfaction all of the issues or instances of non-compliance that led to the suspension of the production license, subject to any terms and conditions the Board may determine. The Board will notify the licensed producer in writing of the production license reinstatement and any terms and conditions of reinstatement.

17 Where the subject of the suspended production license has not addressed, within 30 days, to the Board's satisfaction all of the issues or instances of non-compliance that led to the production license suspension, the Board may cancel the production license. The Board will send notice of the cancellation of the production license by prepaid registered mail, and such notice is deemed to be received on the fifth day after the date of mailing.

18 This Order will remain in effect for a period no longer than ten years from the date this Order is approved by the Agri-Food Council.

Order No. 48/24 is made pursuant to sections 5, 7(1)(h), 7(1)(aa), 7(1)(ee), 7(1)(ff), 7(1)(gg), 20, 20.1, 20.2, 20.3, and 20.5 of *The Milk Marketing Plan Regulations* and shall be effective on August 1, 2024. By order of the Saskatchewan Milk Marketing Board.

Gordon Ell, Chairperson,
Saskatchewan Milk Marketing Board.

Pursuant to sections 5, 7(1)(h), 7(1)(aa), 7(1)(ee), 7(1)(ff), 7(1)(gg), 20, 20.1, 20.2, 20.3, and 20.5 of *The Milk Marketing Plan Regulations* and section 12 of *The Agri-Food Act, 2004*, the above Order No. 48/24 of the Saskatchewan Milk Marketing Board is approved this 7th day of November, 2024.

**EXTRACTS FROM THE RULES AND PROCEDURES OF THE
LEGISLATIVE ASSEMBLY OF SASKATCHEWAN RELATING TO PRIVATE BILLS**

Only a Private Member, not a Member of Cabinet, can present a petition for a Private Bill. The Clerk of the Legislative Assembly must be advised in writing of the name of the Private Member sponsoring the Private Bill.

In cases where the proposed bill provides that the property to be used or occupied by the petitioner be exempt from taxation, either in whole or in part, the petitioner must file with the Clerk of the Assembly, along with the petition, a written statement from the local municipal authority in which the said property is situated approving the intent of the provisions of the proposed bill which provide for the exemption from taxation.

91(1) All petitions for private bills shall be in duplicate and shall be filed with the Clerk of the Assembly not later than the fourth sitting day of the spring period of the parliamentary calendar.

91(2) No petition for any private bill shall be received by the Assembly if presented after the first eight sitting days of the spring period of the parliamentary calendar.

91(3) No private bill may be introduced in the Assembly after the first 15 sitting days of the spring period of the parliamentary calendar.

92(1) Every applicant for a private bill shall deposit with the Clerk of the Assembly, along with the petition for same, two copies of the bill with marginal notes inserted and an accepted cheque payable to the Minister of Finance for the sum of two hundred and fifty dollars (\$250) if the said bill does not exceed 10 pages, and fifteen dollars (\$15) additional for each page over that number; 450 words shall be held to constitute a page.

92(2) In the case of a bill incorporating a company, a receipt from the Director of Business Corporations for any statutory fees required shall also be deposited with the Clerk of the Assembly.

93 No remittance of a deposit on account of a private bill or any portion thereof shall be ordered by the Assembly unless the same has been recommended by the committee charged with its consideration, or unless the bill has been withdrawn, rejected or not reported upon, in which cases the actual expenses incurred shall be deducted from the deposit received before making such remittance.

...

95(1) All petitions to the Legislature for private bills of any nature whatsoever shall require a notice clearly and distinctly specifying the nature and object of the application and, where the same refers to any proposed work, indicating generally the location of the work, and signed by and on behalf of the petitioners, with the address of the party signing the same. When the petition is for an act of incorporation, the name of the proposed company shall be stated in the notice.

95(2) Such notice shall be published, prior to the filing of the petition with the Clerk of the Assembly as required in Rule 91(1), in two consecutive issues of *The Saskatchewan Gazette* and four consecutive issues of a newspaper published in English and having circulation in the locality affected.

95(3) A copy of the notice with a statutory declaration of the several publications of advertisement shall be filed with the Clerk of the Assembly along with the petition and bill.

96(1) The Law Clerk and Parliamentary Counsel shall examine all private bills for the purpose of seeing that they are drawn in accordance with the Rules of the Legislative Assembly respecting private bills.

96(2) Every bill for an act of incorporation, where a form of model bill has been adopted, shall be drawn in accordance with such model bill, copies of which may be obtained from the Clerk of the Assembly. Any provisions contained in any such bill which are not in accord with the model bill shall be inserted between brackets and shall be so printed.

EXTRAITS DES RÈGLES ET PROCÉDURES DE L'ASSEMBLÉE LÉGISLATIVE DE LA SASKATCHEWAN AU SUJET DES PROJETS DE LOI D'INTÉRÊT PRIVÉ

Seul un simple député, et non un ministre, peut présenter une pétition pour un projet de loi d'intérêt privé. Le greffier de l'Assemblée législative doit être avisé par écrit du nom du député qui parraine le projet de loi d'intérêt privé.

Si le projet de loi proposé prévoit que la propriété qui sera utilisée ou occupée soit exempte de taxes, en tout ou en partie, le requérant doit présenter au greffier de l'Assemblée législative, avec sa pétition, une déclaration écrite de l'autorité municipale locale où est située la propriété en question qui cautionne les dispositions portant sur l'exemption de taxes du projet de loi proposé.

91(1) Deux exemplaires des pétitions introductives de projets de loi d'intérêt privé sont déposés au greffier de l'Assemblée au plus tard le quatrième jour de séance de la session de printemps du calendrier parlementaire.

91(2) Seules sont recevables par l'Assemblée les pétitions introductives de projet de loi d'intérêt privé qui sont présentées dans les huit premiers jours de séance de la session de printemps du calendrier parlementaire.

91(3) Les projets de loi d'intérêt privé ne peuvent être déposés à l'Assemblée que dans les 15 premiers jours de séance de la session de printemps du calendrier parlementaire.

92(1) Les personnes qui demandent un projet de loi d'intérêt privé déposent auprès du greffier de l'Assemblée, outre la pétition connexe, deux exemplaires du projet de loi qui portent les notes marginales ainsi qu'un chèque visé payable au ministre des Finances d'un montant de deux cent cinquante dollars (250 \$) si le projet de loi en question compte au plus 10 pages, montant auquel il faut ajouter quinze dollars (15 \$) par page supplémentaire; une page est réputée compter 450 mots.

92(2) Si un projet de loi prévoit la constitution d'une société, un récépissé des droits réglementaires donné par le registraire des sociétés par actions est également déposé auprès du greffier de l'Assemblée.

93 L'Assemblée n'ordonne aucune remise totale ou partielle d'un dépôt, sur le compte d'un projet de loi d'intérêt privé, sauf si le comité chargé de l'étudier émet une recommandation contraire, si le projet de loi a été retiré ou rejeté ou s'il a fait l'objet d'un rapport, auxquels cas les dépenses réelles sont déduites du dépôt reçu avant de procéder à la remise.

...

95(1) Toutes les pétitions introductives de projets de loi d'intérêt privé à l'adresse de la Législature nécessitent un avis qui expose clairement la nature et l'objet de la demande et qui est signé par les requérants et en leur nom, avec mention de l'adresse des signataires. Les avis qui visent des travaux proposés font état de leur emplacement; ceux qui visent une loi de constitution en société font état du nom de la société.

95(2) Avant le dépôt de la pétition auprès du greffier de l'Assemblée, les avis requis en vertu du paragraphe 91(1) sont publiés dans deux numéros consécutifs de la *Gazette de la Saskatchewan* et quatre numéros consécutifs d'un journal publié en anglais diffusé dans la localité touchée.

95(3) Outre la pétition et le projet de loi, sont déposées auprès du greffier de l'Assemblée, une copie de l'avis et une déclaration solennelle qui atteste les diverses publications de l'annonce.

96(1) Le légiste et conseiller parlementaire étudie tous les projets de loi d'intérêt privé afin de s'assurer qu'ils sont rédigés conformément aux articles du Règlement de l'Assemblée législative relatifs aux projets de loi d'intérêt privé.

96(2) Si une formule type de projet de loi a été adoptée, les projets de loi portant constitution des sociétés sont rédigés selon cette formule, dont les exemplaires peuvent être obtenus chez le greffier de l'Assemblée. Les dispositions de ces projets de loi qui ne se conforment pas à la formule type sont indiquées et imprimées entre crochets.
