The Board may consider a request to extend the deadline for taking a course (Defensive Driving Course (DDC) or Driver Improvement Training (DIT)) if circumstances provided at the time of a hearing have changed. Not all extensions will be granted. Alternative means of transportation should be considered before filing your request.

1. Explain, in detail, why you have not taken the course within the timeframe and before the deadline as set out in the Board's decision.

2. Do you have the course booked and paid for? If yes, provide the date(s) and attach a receipt of payment. If no, explain why?

3. What other modes of transportation are available to you, should your licence be suspended until the course is completed?
