Overview of Travel and Objectives

Travel Activity

The Recovery Capital Conference, which ran from September 23-25, brought together thousands of service users, family members, providers, researchers, and policymakers to explore strategies for building recovery capital and improving recovery-oriented systems of care through keynote presentations, breakout sessions, and networking opportunities.

Alberta Mental Health and Addictions also organized tours of a Therapeutic Living Unit (Therapeutic Livings Units are Therapeutic Communities adapted for correctional facilities) and a Recovery Community.
