

Public Notice H002 August 31, 2026

Public Offering of Helium and Associated Gases Crown Dispositions

Crown dispositions granted pursuant to this Notice are for helium and associated gases as defined in *The Oil and Gas Tenure Registry Amendment Regulations, 2026* ("the Regulations") and shall be subject to applicable Acts and the Regulations.

Saskatchewan Ministry of Energy and Resources (ER) will receive sealed bids for Crown helium and associated gases permits up to and at no time after 4:00 PM Central Standard Time on August 31, 2026, at the following address:

**Ministry of Energy and Resources
610 - 1945 Hamilton Street
Regina, SK S4P 2C7**

Bid Information

Submitted sealed bids may not be considered if they do not conform to **BID TYPE I (Standard Bid)** shown on page 4. ER reserves the right to reject any or all received bids.

Each BID TYPE I (Standard Bid) form is to contain one bid for one parcel. Multiple BID TYPE I (Standard Bid) forms may be submitted within a single sealed envelope, provided that each bid form is completed separately and clearly identifies the applicable parcel number.

- Mailing Address (see above)
- Title ("Helium and Associated Gases Crown Dispositions")
- Public Notice Number ("H002")
- Public Offering Date ("August 31, 2026")

After the bidding period expires, the minister shall issue a helium and associated gases permit corresponding to the parcel number to the business associate who:

- a) Submits the highest bid, provided the bid is acceptable to the minister;
- b) Pays the rental and application fees set out in the Regulations;
- c) Pays all applicable taxes relating to rentals and bids; and
- d) Meets all other requirements of *The Crown Minerals Act* and the Regulations.

Please ensure that a representative is available the day after the Public Offering H002 closing date, August 31, 2026. In the event of tied bids, ER will contact the parties concerned and provide them with the opportunity to offer a new bid amount within a prescribed timeframe.

Confidential Minimum Bid

ER will proceed with a sealed bid process that includes a confidential minimum bid. In the absence of reliable market information and geological data, publishing a minimum bid could unintentionally limit participation or imply a valuation that is not supported by available evidence. A confidential minimum bid helps maintain a fair and competitive process, while allowing industry to bid based on their own technical assessments and enabling ER to better understand market willingness to pay.

How to Participate in the Public Offering

To participate in this Public Offering, the bidder requires the following:

1) Business Associate Identification Number (BA ID)

If the bidder does not have a BA ID, information regarding applying for a BA ID is available through government guidance materials [here](#).

2) Debit Code

If the bidder does not have a Debit Code, a Debit Code can be obtained by contacting the ER service desk at er.servicedesk@gov.sk.ca or call 1-855-219-9373.

3) Completed Preauthorized Debit (PAD) Application

If the bidder has not completed a PAD application an application from the . Please complete and e-mail the application to ercollections@gov.sk.ca. Should you require assistance, please contact the ER service desk at er.servicedesk@gov.sk.ca or call 1-855-219-9373.

Public Offering Results

The results are typically published on the ministry's website within three days of the Public Offering closing date for receiving bids.

Pre-authorized Debit Payment

For each successful bid, an invoice will be issued to the BA ID that is associated with the debit code provided as part of the sealed bid. The invoice will be emailed to the contact listed on the bid. The invoice amount will be for the cash bid. Payment of this invoice will be withdrawn from the invoiced BA ID's PAD bank account on September 3, 2026, three days after the Public Offering closing date.

BID Type I (Standard Bid)

Offers that do not conform to this bid type may not be considered.

Each **BID TYPE I (Standard Bid)** form is to contain one bid for one parcel. Multiple BID TYPE I (Standard Bid) forms may be submitted within a single sealed envelope, provided that each bid form is completed separately and clearly identifies the applicable parcel number.

Bidder's Business Associate Name and ID (public information)

hereby submits the following Bid to acquire parcel #_____ posted in the Helium and Associated Gases H002 Public Offering on August 31, 2026.

Bid Amount \$_____

Note: Bid must equal or exceed the confidential minimum bid amount.

Debit Code Business Associate Contact Information (confidential for invoicing purposes only)

Contact Name: _____

Contact Email: _____ Contact Phone Number: _____

Debit Code: _____

Disposition Information

If successful, please issue the disposition as follows:

Confidential Designated Representative (CDR) BA ID: _____

CDR BA ID is a strictly confidential BA assigned to a disposition and will be invoiced and responsible for paying annual disposition rentals and compensatory royalties (if applicable); they will also receive all communications from ER regarding the disposition including offset obligation notification and lease continuance report availability.
