

Building and Technical Standards

Promoting construction of safe, healthy, habitable buildings

Building and Technical Standards Fall 2026 Workshop - Virtual

The Building and Technical Standards branch is pleased to offer a half-day virtual workshop on the following four topics:

- Canadian Mortgage and Housing Corporation (CMHC): A Deep Dive into Canada's Housing Design Catalogue
- Technical Safety Authority of Saskatchewan (TSASK): The National Plumbing Code and the Inspection Process
- Radon Gas: Awareness and Regulatory Compliance
- Building and Technical Standards (BTS): 2026/27 Mid-Year Update

The purpose of the workshop is to review construction standards and provide practical guidance on their application to each topic. This includes outlining the path to compliance with the National Building Code of Canada, in addition to provincial legislation, where applicable.

Hosted by: Building and Technical Standards

Date: October 1, 2026

Time: 8:30 a.m. – 12:15 p.m.

Location: Microsoft Teams

Registration deadline is **September 28, 2026**

No registration fee is required.

Please complete and return to the BTS branch:

- By email: btstandards@gov.sk.ca
- By mail: 1430-1855 Victoria Avenue, Regina, SK S4P 3T2

Workshops are offered to building owners and managers, industry professionals, municipal officials, building officials, fire inspectors, designers and other interested code users to develop a better understanding of construction standards.
