

Physician Billing Online Course

Asynchronous | Continuous Intake

FREE!

For Physicians and billing staff. Other health care professionals are welcome.

By the end of this course, participants will be able to:

- Explain the professional, legal, and ethical obligations associated with billing.
- Analyze the fundamental aspects of the Physician Payment Schedule, including referenced regulations, definitions, billing requirements, and service code descriptors.
- Describe the core principles underpinning documentation requirements.
- Apply service codes to actual billing scenarios.
- Demonstrate the process of submitting claims, reconciling rejected and recovered claims, and navigating the appeal process.
