(provide letter of support from the local authority in support of your application)

Section G – Renewal of Any Licence Requirements

During the previous five years, I have: (*training must be supported by details and supporting documentation*)

- Completed mandatory training of 20 hours of Code Training – must be directly related to the application of the NBC and the NECB provisions. May be achieved by attending qualifying sessions delivered by the Saskatchewan Building Officials Association (SBOA), Building and Technical Standards Branch (BTS) and other recognized agencies and programs.
- Completed mandatory training of 16 hours of Legislative Framework Workshop – offered by BTS, which is a two-day workshop specific to *The Construction Codes Act, The Building Code Regulations, and The Energy Code Regulations*. This workshop is provided twice each year, once in Saskatoon and once in Regina. The workshop will include an examination require an 80% passing grade.
- Completed mandatory training of 8 hours of Code Adoption Workshop – offered by BTS leading up to or after adoption of the NBC and NECB. The workshop will detail changes to the NBC and NECB and the applicable Saskatchewan regulatory amendments. May be achieved by attending qualifying sessions delivered by other recognized agencies and programs.
- Completed discretionary training of 56 hours – May be comprised of further code training or other training related to the practice of a licenced building official. BTS will work with SBOA members to determine the type of training acceptable for the discretionary category. May include a maximum of 10 hours of self-review, analysis of applicable legislation and related codes and standards.
- Satisfy other requirements for renewal as prescribed in the Other (*see The Building Code Regulations subsection 27(5), provide supporting documentation*).
