Build Communities Strong Fund (BCSF) Community stream

The Canada Community-Building Fund (CCBF) was rebranded as the Build Communities Strong Fund (BCSF) Community stream in the summer of 2026. The Administrative Agreement, negotiated in 2024, remains in force and its provisions still apply.

Please use the Project Signage Checklist for the Canada Community-Building Fund (found on the next page) in the interim as we update our documents to match the new program name.
