Dear Minister Stewart:

**Re: The Saskatchewan Farm Security Act**

Thank you for your letter dated May 21, 2015 inviting Saskatchewan Capital Network to participate in the consultation process for The Saskatchewan Farm Security Act.

Although we are pleased to be asked to participate, as an organization the Act falls outside the mandate of Saskatchewan Capital Network and we feel we would be unable to effectively contribute to process.

We do hope the online consultation and the June 23<sup>rd</sup> meeting are productive.

Yours truly,
