For information on how to calculate AUs for species other than hogs, contact the Agriculture Knowledge Centre at 1-866-457-2377.

*This is the maximum eligible costs that may be claimed for this project location. Animal units will be validated against your Ag Ops approval. Eligible costs will be further funded at a cost-share of 60:40 (Government:applicant)

PROJECT DESCRIPTION

Provide a detailed description of the work to be funded (refer to eligible expenses on website), including description of equipment to be installed or upgraded, new energy type, etc.

ENERGY CONSUMPTION Please complete if applying for energy reducing activities. Refer to the program website for a list of eligible expenses. Please note that when a project is completed and the claim is submitted for funding, the application must be able to quantify (estimate) the energy consumption prior to the intervention and the reduced energy consumption after the intervention. Baseline consumption and reduction estimates should be calculated by reviewing results from an energy audit, reviewing utility bills, or equipment performance data.

Eligible Expenses (include all components that may be upgraded at this location)	Description of Eligible Expense Provide further details such as # of lights to be switched, emissions or consumption related performance data information of new equipment, etc.	Current Energy Type i.e. natural gas, electric, propane, other.

Note: Before you enter information it is recommended this application be saved to your computer.

MANURE MANAGEMENT

Please complete the following if applying for liquid manure related activities to reduce emissions. Please note that when a project is completed and when the claim is submitted for funding, the applicant must be able to quantify (estimate):

- the current quantity of liquid manure produced over the last year (litres or gallons).
- the acres of intervention and fertilizer rate (lbN/acre) for liquid injection.
- the volume of solids collected from solid-liquid separation systems.

Current Liquid Manure Management and/or Practice i.e., Store in EMS and spread on land. For liquid manure application, describe current practice, gal/acre and yield.	New Liquid Manure Management and/or Practice i.e., anaerobic digestion, acidification, installation of methane collectors, type of manure storage cover installed, solid-liquid separation systems, purchase or modification of equipment for manure application i.e. liquid injection.
Example: Liquid manure is stored in an EMS and broadcast/spread (not injected) on land by a custom applicator at appropriately 11,000 gal/acre as a three year rate. Barley crop typically yields 80 bu/acre.	Example: Purchase equipment to inject liquid manure, to economically apply and match nutrient content to the crops needs.

LIVESTOCK FACILITY EMISSIONS PROGRAM PRE-APPROVAL APPLICATION

Note: Before you enter information it is recommended this application be saved to your computer.

Part 5 - STATEMENT OF DECLARATION

1. I hereby apply to the Livestock Facility Efficiency Program (the "Program"), administered by the Saskatchewan Ministry of Agriculture (the "Ministry") pursuant to The Agriculture Administration Act, for the payment requested in this application.
2. I declare I am the Applicant or that I am authorized to sign on behalf of the Applicant. By my signature and delivery of this application, including this Statement of Declaration, to the Program, I understand I will be legally bound by, and I agree to adhere to, the Program guidelines and policies.
3. I declare:
 - a. the eligible project was commenced on or after April 1, 2023;
 - b. in the case of an individual, the individual is a Saskatchewan resident who is at least 18 years of age;
 - c. in the case of a corporation, partnership or co-operative, the corporation, partnership or co-operative has its head office in Saskatchewan and/or carries on business in Saskatchewan;
 - d. in the case of a First Nation, the First Nation has reserve land in Saskatchewan; and
 - e. the individual, corporation, partnership, or co-operative filed an income tax return, or is able to provide other documents or information that demonstrates the generation of \$50,000 in gross farm income in Saskatchewan in the year of application or the year prior to the application.
4. I declare my project is an eligible project that meets the requirements set out in the Program policies and regulations and no other claim has been made, or will be made, for the eligible expenditures that are the subject of this project, to programs administered under the Sustainable Canadian Agricultural Partnership or any other government grant, rebate or assistance program unless otherwise disclosed in this application.
5. I declare the information included in this application is true and correct in every respect.
6. I agree to provide further information, including income tax returns or access to project records such as original receipts, proof of payments for costs claimed and photos of the completed eligible project, that the Program may reasonably require. In addition, I agree to inform the Program administration as soon as practicable of any changes to my application information for the purpose of administering this application.
7. I consent to allow:
 - a. the Ministry to request information about me or my project from any federal or provincial government department or agency, including, but not limited to Saskatchewan Crop Insurance Corporation (SCIC), Agriculture and Agri-Food Canada (AAFC), which will be collected for the purposes of:
 - i. verifying the application;
 - ii. determining my eligibility for the Program; and
 - iii. verifying regulatory requirements have been addressed.
 - b. the Ministry to disclose any information contained in this application or provided in relation to me or my project, to any ministry, Crown corporation or agency of the Government of Saskatchewan including, but not limited to those mentioned above, for the purposes of:
 - i. processing this application;
 - ii. administering this or any other program offered by the Ministry;
 - iii. advising me about Ministry programs and services;
 - iv. policy and program development and evaluation; and
 - v. research and statistical analytics.
8. I understand the provision of false, misleading or fraudulent information, or a failure to comply with the regulations and policies may result in this application and any other past, current or future applications being denied and any payments issued being declared an overpayment and must be repaid.
9. I understand I am responsible for any cost overruns or expenditures in excess of the amounts contributed by the Ministry under the Program.
10. I understand it is my responsibility to be compliant with all laws and orders and have all necessary licences, permits and approvals required to undertake the project.
11. I understand if this project is located on lands protected under The Environmental Management and Protection Act, 2010 (EMPA), The Wildlife Habitat Protection Act (WHPA), identified as Critical Habitat or has a Crown Conservation Easement registered on title that proper approval has been obtained in advance of commencing this project.
12. I understand if program rebates are used to create improvements on Crown land (within the meaning of The Provincial Lands (Agriculture) Regulations), the ministry may take the value of those rebates into consideration upon lease termination.
13. I understand the Ministry has the right to set off all or any portion of a Program payment against any debt I have owing to the Government of Saskatchewan.
14. I understand the Ministry or other government agencies will in no way be liable for anything related to the construction, maintenance and ongoing operation of an approved project. Neither the Ministry, nor the Government of Saskatchewan shall be liable to me for any liabilities I incur in the performance of the work undertaken by me in this project. I shall indemnify and hold the Ministry, the Government of Saskatchewan, and all government employees, agents and representatives, past or present, harmless from and against all claims, liabilities, losses, damages, costs, expenses and causes of action, including claims:
 - a. arising out of any breach or failure by me to perform any of my obligations under this Program;
 - b. relating to injury (including death) to persons or loss of or damage to property arising out of the negligence or willful misconduct of me or my contractors, officers, agents or employees; or
 - c. arising out of the work undertaken by me related to this project including, but not limited to, claims for builders' liens, workers' compensation, employment insurance, holidays, back pay or any rates or charges.
15. I agree to cooperate with the Ministry in the completion of any audit, evaluation or survey of the project or of the Program.
16. I agree the Ministry or its designated representatives are authorized to enter the premises identified on the application or any other premises operated by me in order to conduct an inspection of the eligible project, when completed, that is subject of this application.
17. I understand the personal information in this application is collected under the authority of, and is protected by, and subject to the provisions of *The Freedom of Information and Protection of Privacy Act* (FOIP Act) and the federal *Privacy Act*. The Ministry will use the information from this form to determine my eligibility for a benefit under this Program. The Ministry will also use my information for the administration of all other programs delivered by the Ministry, to advise me about Ministry programs and services, for policy and program development and evaluation, and for research and statistical purposes. The Ministry may share my information with Agriculture and Agri-Food Canada and other third parties for the administration of other agriculture programs, for policy and program development and evaluation, and for research and statistical purposes.

I acknowledge and accept the terms and conditions as set out above.
