January 18, 2019

Dear Contractor:

Wildfire Management Branch (WFM) is establishing pre-approved "Agreement for Hire of Equipment with Operator". These agreements will be used to hire equipment for fire suppression, pre-suppression, reclamation, road maintenance and other projects. The pre-approved agreement (contract) is used as an eligibility list but is not a guarantee of hire.

Equipment will be hired based on operational need and rate competitiveness. The 2019 Ministry of Environment rate guide is included as the suggested rate. Some equipment may not be included. Providing additional information regarding general application of these pieces of equipment will be useful for staff conducting the selection for hire.

Enclosed are the following:

- Ministry of Environment Rate Guide
- Agreement for Taxi/Bus

Be advised that:

- It is the responsibility of the contractor to ensure that equipment meets all safety standards and is in good working order. (See section 6 of the agreement)
- All equipment will be checked against a branch checklist upon arrival at each project
- The contractor must provide a copy of valid registration for all hired equipment (if applicable) upon arrival at each project
- The contractor must provide proof of insurance (A letter or statement of coverage from your insurance agent – minimum of \$1,000,000 liability insurance) upon arrival at each project. The Contractor shall have the required insurance in full force and effect prior to commencing any work under this Agreement.
- Contractors must adhere to WHMIS2015 and TDG guidelines

In order to have your equipment pre-approved for hire, WFM requires the following:

- Completed Agreement for Taxi/Bus form in legible print
- Copy of registration for each unit with a license
- Proof of insurance (A letter or statement of coverage from your insurance agent – minimum of \$1,000,000 liability insurance)

New this year, we are accepting images and scanned copies of completed agreements. If you would like to submit via email please print the agreement on legal landscape paper (8"x14"), date and sign. The submitted image or scanned copy must be clearly legible.
